

Tutorial on Pathology of the GI Tract, Pancreas and Liver

Weill Cornell Medical College

November 9 – 13, 2009
Boca Raton Marriott, Boca Raton, Florida

Course Goals & Objectives

This course is designed to update physicians on advances in our understanding of gastrointestinal diseases, address problems faced during the pathologic evaluation of tissue samples, and provide pathologists with a framework for interpretation of both histologic patterns of disease and results of molecular analyses. The course will be conducted under the direction of Rhonda K. Yantiss, MD at the Boca Raton Marriott at Boca Center, Boca Raton, Florida, from November 9-13, 2009. The program will consist of lectures, case presentations and discussions designed to provide attendees with an in-depth discussion of diagnostic problems that arise when evaluating materials obtained from the gastrointestinal tract, pancreas, and liver, and inform them regarding the application and interpretation of immunohistochemical and molecular studies in the diagnosis and classification of these diseases. The Tutorial faculty will prepare a CD-ROM containing an extensive compilation of lecture notes and reference citations covering all of the topics presented at the Tutorial. A separate notebook containing all powerpoint presentations will be distributed as well.

Target Audience

General surgical pathologists and pathologists-in-training.

General Information

The Tutorial consists of five days of lectures, case presentations, and discussions. It will be held at the Boca Raton Marriott at Boca Center, 5150 Town Center Circle, Boca Raton, Florida. Tel: (561) 392-4600 • Fax: (531) 368-9223 • Web: www.bocaratonmarriottbrochure.com

Faculty Disclosure

It is the policy of Weill Cornell Medical College to adhere to ACCME Essential Areas, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of off-label or investigational uses of any commercial products or devices not yet approved in the United States. All disclosures will be made at the time of this CME activity.

Credit for attendance at the regularly scheduled lectures are granted on an hour for hour basis and will be indicated at the bottom of the Tutorial certificate, which will be distributed at the end of the program.

Tuition

The registration fee is \$1,200, which includes the Tutorial, a CD-ROM, daily continental breakfasts, coffee breaks and a reception. The fee does not include travel, housing or other meals. Registration post-marked after October 1, 2009 is \$1,300.

Registration can be completed on-line, at the main page of the Tutorial web site: www.cornellpathology.org. We accept Visa, MasterCard and American Express. When paying by check, it must be in U.S. currency and drawn on a U.S. Bank, made payable to the WCMC-Dept. of Pathology. International participants can contact us directly for our wire transfer information. When registering, please be sure to use a complete mailing address.

Confirmation/Seating

A written confirmation will be sent to all registrants. Early registration is recommended. Seating at the program is on a first come first serve basis and will be assigned based on registration date. The seat assigned remains yours throughout the course.

Cancellation Policy

In the event of cancellation, the Tutorial fee is refundable less a \$125 service charge. A front and back copy of your cancelled check must be submitted for a refund. After October 15, 2009, no refunds will be possible and no exceptions of any kind can be honored.

Continuing Medical Education/Accreditation

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Weill Cornell Medical College designates this educational activity for a maximum of **34.0 AMA PRA Category 1 Credit(s)**™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Transportation

Conveniently located off of I-95, the Boca Raton Marriott is accessible to West Palm Beach and Ft. Lauderdale International Airports (both 25 minutes driving time, \$75 taxi).

Other

A continental-style breakfast will be available from 7 a.m. in the foyer outside the Grand Ballroom where the Tutorial sessions will be held. The use of cell phones or video/audio recording during the lectures is prohibited.

Accommodations

Accommodations have been reserved for Tutorial participants at the Boca Raton Marriott Hotel (www.marriott.com/pbibr). Note that a one night deposit is required. Participants may also call the hotel toll free at 1 (888) 888-3780 to make reservations. Please mention the special market code GIPGIPA in order to obtain the Group rate. Advise them you will be attending the Tutorial on Pathology of the GI Tract, Pancreas and Liver from November 9 – 13, 2009. A confirmation number will be immediately assigned. Special daily rates for this meeting are \$153.00 (single/double). After November 1, 2009, reservations will be accepted on a space-available basis only and rooms will not be available at our special group rate. **Please make your reservations early!**

Recording Devices

No video or audio recording devices will be allowed.
